Re: Ambulance Services Agreement -  
2020 Annual Report

Dear Doug:

In my capacity as Contract Administrator, please accept the following as my 2020 Annual Report to the Ouachita Council of Governments. The Ambulance Service Advisory Board is comprised of seven voting members. In 2020, Ms. Kayla Johnson, Chief Nursing Officer at St. Francis Medical Center, has served as Chairperson of the Board. West Monroe Fire Chief Todd Smith serves as Vice-Chairperson of the Board. Also serving on the Board are Monroe Fire Chief Terry Williams and Ouachita Parish Fire Chief Pat Hemphill. The three medical centers located in Ouachita Parish are currently represented by Michael Worley (Glenwood), Lisa Griffin (Ochsner/LSU Health Monroe) and Ms. Johnson (St. Francis). Mr. Jay Lewis serves as the University of Louisiana at Monroe representative.

Meetings of the Ambulance Service Advisory Board are required to be held on a quarterly basis. Board meetings have been held at the City of Monroe Public Safety Center Conference Room, 1810 Martin Luther King, Jr. Boulevard in Monroe. Board meetings were held on January 16, April 23, July 23, and October 15. Copies of the Minutes from each Board meeting are being provided along with this report. Per the Ambulance Ordinance, the 2020 Acadian Ambulance Rate Schedule was submitted and approved at the January Board meeting. See 2020 Rate Schedule attached.

### RESPONSE TIME REPORTS

Under the terms of the Ambulance Services Agreement, Acadian is required to submit Response Time Reports to the Contract Administrator within fifteen (15) days of the end of the month. Acadian has met that requirement every month in 2020 to date. Copies of the Response Time Reports are provided to each Board member in advance of every Board meeting. Response Time Reports are presented and reviewed by Taylor Richard, the Operations Manager for Acadian Ambulance in Ouachita Parish, at each Board meeting. A Summary Compliance Report for each month is also being provided with this report. With very few exceptions, Acadian Ambulance has consistently satisfied its Response Time obligations as required by the Agreement.

### COMPLAINTS

A very limited number of complaints have been referred to the Contract Administrator for disposition in 2020. All of the complaints have been addressed in a timely manner by Acadian Ambulance personnel.

### SUMMARY

Acadian Ambulance Service has fulfilled its contractual obligations and requirements as provided by the Ambulance Services Agreement. Acadian's local staff has been extremely accessible and responsive to the undersigned. If you have any questions or desire further information, please let me know. I sincerely appreciate the opportunity to serve as the Contract Administrator for the Ambulance Services Agreement.

With kindest regards, I am

Very truly yours,

Elmer G. Noah, II  
Contract Administrator
